

SATMASTER LICENSE AGREEMENT

By installing Satmaster Pro and/or Satmaster in whole or in part, including all files, data, and documentation, hereinafter referred to as the "Software", you are also consenting to be bound by this agreement.

COPYRIGHT

The Software is copyright material protected by law and international treaties.

DISCLAIMER OF WARRANTY

The Software is provided on an "AS IS" basis. Although careful steps are taken to ensure the accuracy of the code, calculations and data provided, Arrowe Technical Services ("The Supplier") cannot accept any liability whatsoever for any damage or financial loss incurred, however caused, resulting from its direct, indirect, or consequential use. The user should assess, or otherwise determine, the suitability of the Software to fulfil the task to which it is put. Evaluation versions are freely available for testing purposes.

LIMITED WARRANTY

The Supplier warrants that for a period of ninety (90) days from the date of acquisition, the Software, if operated as directed, will substantially achieve the functionality described in the Documentation. The Supplier does not warrant that the operation of the Software will be entirely error free. The sole liability of The Supplier under this warranty shall be to offer a replacement by web download. If the installation file is lost or corrupted and you have no backup, use the contact form at arrowe.com to request a replacement by electronic delivery. It may not be possible to supply the exact version so a later build in the series may be substituted. There is no charge for this service.

TERMS APPLICABLE WHEN LICENSE FEES PAID

Subject to payment of applicable license fees, The Supplier grants to you a non-exclusive license to use the Software and accompanying documentation ("Documentation") as described in "Terms applicable to license grants" below.

TERMS APPLICABLE TO LICENSE GRANTS

- 1) A single user license allows one person to install and use the Software on computers personally used (eg a desktop and/or laptop).
- 2) A single user license does not permit concurrent, shared or rotation usage whereby the Software can be used by more than one person.
- 3) It is permissible to make backup copies of the Software to reinstall at a later time provided any copy contains all of the original Software's proprietary notices, text and files.
- 4) You may not install the 'single user' software on a network server without an appropriate network license.
- 5) You may not modify, translate, reverse engineer, decompile, disassemble or create derivative works based on the Software.
- 6) You must not lend, rent, lease, or otherwise transfer rights to the Software.
- 7) You must not copy the Software for provision to other persons or allow other persons to copy the Software.
- 8) Copying or reproduction of the software to any server or location for further reproduction or redistribution is expressly prohibited.

TERMINATION

The license will terminate automatically if you fail to comply with the limitations described herein. On termination, you must destroy all copies of the Software and Documentation.
